## WARRANTY

Pfeifer Industries warrants its products against defects in material and workmanship, under normal use and service, for a period of one (1) year after date of shipment. The obligation of Pfeifer Industries, under this warranty is limited to repairing or furnishing a similar product without charge. No responsibility is assumed for damage due to misuse, negligence, improper application or installation, or operation outside of the timing belt manufacturers that we represent design guidelines and specifications. Pfeifer Industries, shall have the option of requiring the return of the defective material, transportation prepaid, to establish the claim. All claims must be made in writing. No allowances will be made for repairs or alterations without the written consent or approval of Pfeifer Industries. Pfeifer Industries shall not in any event be liable for any special, indirect, or consequential damage.

***THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.***

Pfeifer Industries stock products are made only in the sizes and to the specifications shown in our catalogs and other literature. Where any alteration is requested by the purchaser, such altered product will be treated as a “made to order item.” “Made to order items” will be warranted to conform to the specifications and drawings supplied by the purchaser and be free from defects in material and workmanship, under normal use and service, for a period of one (1) year after date of shipment. Provided that the “made to order items” also conform to the timing belt manufacturers that we represent design guidelines and specifications. We assume no liability for errors or omissions which may appear in our catalogs or literature; and we cannot accept alteration charges caused by such errors or omissions. We will accept the return of stock items which will not fit their intended use due to such errors or omissions, provided the products have not been altered or damaged.
